PROFESSIONAL EXPERIENCE

Software Development Intern | Boise, Idaho | CodeWorks January 2024 - April 2024

- Advanced expertise beyond HTML, CSS, and JavaScript to include Vue.js, C#, RESTful API management, Node.js, C# / DotNet, SQL / MySql, and other technologies, frameworks, and languages.
- Developed 15+ front-end and 4 full-stack applications independently, and collaborated in agile teams to deliver 6 applications within a 13-week sprint.
- Gained experience as a Scrum product owner as well as developer.

Legal Assistant | Boise, Idaho | Monteleone Law Offices, P.L.L.C. September 2022 - January 2024

- Provided legal research and analysis, supporting attorneys in case preparation and development for up to 43 cases simultaneously.
- Drafted and proofed legal documents while ensuring compliance with local and federal regulations.
- Managed daily office operations, including scheduling appointments, data entry, coordinating meetings, and inventory management for 21 legal professionals.

Manager | Littleton, Colorado | Wave the Grain Bakery December 2020 - September 2022

- Planned and designed the bakery's front end prior to the opening of the business's second location's opening.
- Hired, trained, and oversaw a team of nine employees.
- Ensured the accuracy of all transactions and solved any financial discrepancies, resulting in a 95% accuracy rate in financial transactions and promptly resolving 100% of reported discrepancies.

Founder & Volunteer | Boise, Idaho | Unhoused Haircuts January 2018 - March 2020

- Founded and spearheaded the "Unhoused Haircuts" initiative, providing free haircuts to the community at local homeless shelters and economically disadvantaged resource centers.
- Contributed 10% of my total working hours to accomplish an average of 50 haircuts monthly across two community centers

Master Stylist | Boise, Idaho | Lunatic Fringe Salon / Lion's Mane Studio December 2012 - March 2020

- Increased gross revenue by \$10,000 monthly by developing and maintaining a diverse clientele base through attentive customer service and networking initiatives.
 - Built a clientele and upheld a 98% retention rate.
 - Maintained a highly profitable retail to service ratio with retail composing over 30% of my consistent gross revenue.
-
